

HALAL POLICY

Village Gourmet Company Inc.'s vision is to be the prime manufacturer of quality and safe authentic gourmet breads and pastries and to be the trusted partner across the food service industry.

These are achieved through our commitment to;

- Ensure all materials, ingredients, additives, processing aids, packaging materials used for our products does not consist of, contaminated with or contain anything that is considered to be unlawful according to Islamic law;
- Ensure Halal integrity of food processes starting from product development, supplier's accreditation, control on receiving of materials to product processing, packing, storing, dispatch and delivery, while consistently meeting product quality and food safety, to satisfy our customer and stakeholder's expectations and requirements;
- Ensure Halal Assurance of its products and processes, in compliance to the statutory, regulatory of Islamic law and Halal requirements of the country;
- Ensure equipment, tools and facilities that are used in the processes of our product are managed to be Halal compliant;
- Communicate and work effectively with our internal and external stakeholders to effectively implement the Halal Assurance Management System;
- Establish, implement, monitor, review and continually improve the VGCI's Halal Assurance Management System, with continuous development plan and training of employee to ensure high quality of competence in all operational level.

We, in Village Gourmet Company, Inc., acknowledged and convinced that Halal Assurance is the responsibility of every VGCI employee.
